## **Helping Bereaved Children, Third Edition: A Handbook for Practitioners (Social Work Practice with Children and Families)**

This acclaimed work describes a range of counseling and therapy approaches for children who have experienced loss. Practitioners and students are given practical strategies for helping preschoolers through adolescents cope with different forms of bereavement, including death in the family, school, and community. Grounded in research on child therapy, bereavement, trauma, and child development, the volume includes rich case presentations and clearly explains the principles that guide interventions. Eleven reproducible assessment tools and handouts can also be downloaded and printed in a convenient 8 1/2" x 11" size.
