Of Love, Autonomy & Wealth:: Work and Play in the Virtual World (Your Guide to the C-Suite) Dr Patrick McCarty

Award for Best in Self-Help and Business "Excellent. Wonderful Book!" --Corky Ballas (father of Mark Ballas, Derek and Julianne Hough) of Dancing with the Stars "Of Love, Friendship, Autonomy & Wealth" is not your ordinary self-help book. It combines anecdotes we will all recognize from everyday life, with deep philosophical questions, scientific quandaries, and business examples ranging from Ford to McDonald's to JP MorganChase. McCarty has issued a heartfelt call for passion, purpose, and ethics in both the business and personal worlds." --Fran Hawthorne, Former Editor for Fortune and BusinessWeek "Patrick is without doubt an extraordinary talent." --Dr. David Ingram, Loyola University "I find [McCarty's] perspective on issues refreshing and without parallel." --C. Payne Lucas, Chair of Democratic Party of South Carolina "McCarty has a gift for explanation, even of the most difficult of subjects." --Dr. Adriaan Peperzak, Stanford University "[McCarty] teaches students how to learn while teaching them the subject." --Dr. Hent de Vries, Johns Hopkins University "As celebrated economist Jeffrey D. Sacks has argued, there will be no return to prosperity in the absence of mindfulness, citizens who acquire the self-awareness to live as they ought. Patrick McCarty--award-winning author, 25-year university professor and radio personality--provides the means for the cultivation of mindfulness, a roadmap to joyous living, new horizons of possibility and financial prosperity. This is not your average self-help book. McCarty permits the reader to listen in on his conversations with a McDonald's CEO, an editor of Psychology Today, a writer for Fortune magazine, and other pioneers in contemporary thought. This book is a tour de force of erudition and psychological insight, all in the context of present-day globalization and techno-capitalism. This is a book to savor, to keep on hand always. It is a transformative reading experience, superbly written." Includes interviews with: •Raymond Ku, former CEO of McDonald's-Taiwan •Carlin Flora, Editor with Psychology Today and Author of Friendfluence •Fran Hawthorne, Editor with Fortune, Author of Ethical Chic: The Inside Story of the Companies We Think We Love (named one of the Best Business Books of 2012 by Library Journal)
