The SAGE Handbook of Gender and Education

The SAGE Handbook of Gender and Education

The SAGE Handbook of Gender and Education brings together leading scholars on gender and education to provide an up-to-date and broad-ranging guide to the field. It is a comprehensive overview of different theoretical positions on equity issues in schools. The contributions cover all sectors of education from early years to higher education; curriculum subjects; methodological and theoretical perspectives; and gender identities in education. Each chapter reviews, synthesises, and provides a critical interrogation of key contemporary themes in education. This approach ensures that the book will be an indispensable source of reference for a wide range of readers: students, academics and practitioners.
