The Silver Bowl

Diane Stanley

The Silver Bowl Diane Stanley

Unwanted at home, Molly becomes a humble scullery maid for the King of Westria. She arrives at the castle with no education, no manners, and a very disturbing secret: She sees visions that always come true.

In time, Molly begins polishing the castle's fine silver pieces, which include one priceless royal treasure: the king's great ceremonial hand basin. But whenever she touches it, the silver warms beneath her fingers and the bowl's designs swirl into a vision that only she can see. A dreaded curse has befallen each generation of the royal family—and now it threatens the handsome Prince Alaric.

Together with her friends Tobias and Winifred, Molly must protect the prince and destroy the curse. Could a less likely champion be found to save the Kingdom of Westria?
