As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country.
