*Can you find forever...a second time?*

After a tragic loss three years ago, Grayson Tyler leaves his life in New York City behind and starts over in the rolling hills of the California coast. He's convinced himself that all he'll ever need again is the blue sky, a thousand acres of pasture and the crashing waves of the ocean.

That is, until the day Lori Sullivan barges into his life and promptly blows his emotionless and solitary world to shreds. Her passion and fire drive him crazy, as only a woman nicknamed Naughty can. But will Lori be able to convince him that it's safe to love her...and that forever isn't actually out of reach?
