## **Goodbyes and Other Messages: A Journal of Jazz, 1981-1990** Whitney Balliett

Whitney Balliett's new book contains many of the shorter pieces he has done for *The New Yorker* during the past ten years. (The pieces on the pianist Bill Evans and on the classic 1957 CBS television show, "The Sound of Jazz," have not been published before.) Balliett gives brilliant final summings-up of many of the irreplaceable musicians who died in the eighties, among them Count Basie, Earl Hines, Thelonious Monk, Buddy Rich, Sarah Vaughan, and Cootie Williams. But he also offers penetrating assessments of young turks like Michael Petrucciani, Warren Vache, Howard Alden, and Wynton Marsalis. Jazz is passing through a recollective period, and Balliett takes long looks at the great Blue Note, Keynote, and Commodore reissue programs, the new jazz repertory groups, and the ambitious and wayward Grove Dictionary of Jazz. He puts his elegant glass on a Caribbean jazz cruise, on several different festivals, on the sad dissolution of the marvelous Gene Bertoncini-Michael Moore duo, and on the strange career of Miles Davis. And he gives us definitive essays on Bunny Berigan, Duke Ellington, John Hammond, Benny Goodman, Ben Webster, and the early lyrical jazz writer Otis Ferguson. Jazz fans and jazz musicians read Balliett because of his unrivalled ability to convey in words the very sound of their music. But people who don't know beans about jazz read him simply to relish his elegant and beautiful prose.
