There are more than 5 million Dear Dumb Diary books in print!

Bestselling author Jamie Kelly is back with an all-new, all-funny diary! But she has no idea that anybody is reading it. So please, please, please don't tell her.

Dear Dumb Diary,

I went five whole days without seeing or hearing from Angeline. I was beginning to get used to it. It's true that I have learned to overlook many of Angeline's flaws, like her flawlessness, but she can still be difficult to be around. Like when she's lit perfectly, for example.

To my extreme credit, I have learned to pretend to ignore Angeline's failure to not be perfect.
