In this biography, Lisa Rogak presents a funny and personal portrait of Stephen Colbert, the comedian who became the star of *The Colbert Report*. She reveals the tragedy that forever altered his family and charts his early years, first as a serious acting student and later as a budding improv comic, before co-creating the cult TV show *Strangers with Candy*. And she offers a look inside *The Daily Show*, and the exclusive bond that Colbert and Jon Stewart formed that led to Colbert's own rise to celebrity.
