Halo: The Cole Protocol Tobias S. Buckell

In the first, desperate days of the Human-Covenant War, the UNSC has enacted the Cole Protocol to safeguard Earth and its Inner Colonies from discovery by a merciless alien foe. Many are called upon to rid the universe of lingering navigation data that would reveal the location of Earth. Among them is Navy Lieutenant Jacob Keyes. Thrust back into action after being sidelined, Keyes is saddled with a top secret mission by ONI. One that will take him deep behind enemy lines, to a corner of the universe where nothing is as it seems.

Out beyond the Outer Colonies lies the planet Hesiod, a gas giant surrounded by a vast asteroid belt. As the Covenant continues to glass the human occupied planets near Hesiod, many of the survivors, helped by a stronghold of human Insurrectionists, are fleeing to the asteroid belt for refuge. They have transformed the tumbling satellites into a tenuous, yet ingenious, settlement known as the Rubble--and have come face-to-face with a Covenant settlement of Kig-Yar . . . yet somehow survived.

News of this unlikely treaty has spread to the warring sides. Luckily for the UNSC, this uneasy alliance is in the path of the Spartan Gray Team, a three-man renegade squad whose simple task is to wreak havoc from behind enemy lines in any way they see fit. But the Prophets have also sent their best---an ambitious and ruthless Elite, whose quest for nobility and rank is matched only by his brutality . . . and who will do anything to secure his Ascendancy and walk the Path.

From reader reviews:

Nellie Davis:

Book is to be different per grade. Book for children until eventually adult are different content. We all know that that book is very important usually. The book Halo: The Cole Protocol had been making you to know about other information and of course you can take more information. It is rather advantages for you. The guide Halo: The Cole Protocol is not only giving you more new information but also for being your friend when you experience bored. You can spend your current spend time to read your book. Try to make relationship while using book Halo: The Cole Protocol. You never sense lose out for everything should you read some books.

Yvonne Speight:

Spent a free a chance to be fun activity to try and do! A lot of people spent their leisure time with their family, or their particular friends. Usually they carrying out activity like watching television, planning to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Can be reading a book is usually option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to consider look for book, may be the e-book untitled Halo: The Cole Protocol can be good book to read. May be it could be best activity to you.

Patsy Cassella:

Your reading sixth sense will not betray an individual, why because this Halo: The Cole Protocol e-book written by well-known writer we are excited for well how to make book which can be understand by anyone who else read the book. Written within good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still skepticism Halo: The Cole Protocol as good book not only by the cover but also by content. This is one e-book that can break don't determine book by its protect, so do you still needing an additional sixth sense to pick this specific!? Oh come on your studying sixth sense already alerted you so why you have to listening to one more sixth sense.

Jennifer David:

A lot of e-book has printed but it differs. You can get it by online on social media. You can choose the very best book for you, science, amusing, novel, or whatever by simply searching from it. It is named of book Halo: The Cole Protocol. You can add your knowledge by it. Without departing the printed book, it can add your knowledge and make a person happier to read. It is most critical that, you must aware about e-book. It can bring you from one location to other place.
