Galloway, Dan Mellamphy, Ben Woodard, Nicola Masciandaro

Essays, articles, artworks, and documents taken from and inspired by the symposium on Reza Negarestani's *Cyclonopedia: Complicity with Anonymous Materials*, which took place on 11 March 2011 at The New School. Hailed by novelists, philosophers, artists, cinematographers, and designers, *Cyclonopedia* is a key work in the emerging domains of speculative realism and theory-fiction. The text has attracted a wide-ranging and interdisciplinary audience, provoking vital debate around the relationship between philosophy, geopolitics, geophysics, and art. At once a work of speculative theology, a political samizdat, and a philosophic grimoire, *Cyclonopedia* is a Deleuzo-Lovecraftian middle-eastern Odyssey populated by archeologists, jihadis, oil smugglers, Delta Force officers, heresiarchs, and the corpses of ancient gods. Playing out the book's own theory of creativity – "a confusion in which no straight line can be traced or drawn between creator and created – original inauthenticity" (191) – this multidimensional collection both faithfully interprets the text and realizes it as a loving, perforated host of fresh heresies. The volume includes an incisive contribution from the author explicating a key figure of the novel: the cyclone. CONTENTS: Robin Mackay, "A Brief History of Geotrauma" – McKenzie Wark, "An Inhuman Fiction of Forces" – Benjamin H. Bratton, "Root the Earth: On Peak Oil Apophenia" – Alisa Andrasek, "Dustism" – Zach Blas, "Queerness, Openness" – Melanie Doherty, "Non-Oedipal Networks and the Inorganic Unconscious" – Anthony Sciscione, "Symptomatic Horror: Lovecraft's 'The Colour Out of Space'" – Kate Marshall, "Cyclonopedia as Novel (a meditation on complicity as inauthenticity)" – Alexander R. Galloway, "What is a Hermeneutic Light?" – Eugene Thacker, "Black Infinity; or, Oil Discovers Humans" – Nicola Masciandaro, "Gourmandized in the Abattoir of Openness" – Dan Mellamphy & Nandita Biswas Mellamphy, "Phileas Fogg, or the Cyclonic Passepartout: On the Alchemical Elements of War" – Ben Woodard, "The Untimely (and Unshapely) Decomposition of Onto-Epistemological Solidity: Negarestani's *Cyclonopedia* as Metaphysics" – Ed Keller, ". . . Or, Speaking with the Alien, a Refrain. . ." – Lionel Maunz, "Receipt of Malice" – Öykü Tekten, "Symposium Photographs" – Reza Negarestani, "Notes on the Figure of the Cyclone" punctumbooks.com
