From Ashes Molly McAdams

Aside from her dad, who passed away when she was six, Cassidy Jameson has only ever trusted one man: her best friend, Tyler. So of course she follows him to Texas when he leaves for college. She just didn't expect to be so drawn to their new roommate, Gage, a gorgeous guy with a husky Southern drawl. The only problem? He's Tyler's cousin.

Gage Carson was excited to share an apartment off campus with his cousin. He didn't mind that Tyler was bringing the mysterious friend he'd heard about since they were kids . . . until the most beautiful girl he's ever seen jumps out of his cousin's Jeep. There's something about Cassi that makes Gage want to give her everything. Too bad Tyler has warned him that she's strictly off-limits.

Despite everything keeping them apart, Cassi and Gage dance dangerously close to the touch they've both been craving. But when disaster sends her running into Tyler's arms, Cassi will have to decide whether to face the demons of her past . . . or to burn her chance at a future with Gage.

From reader reviews:

Alfred Cox:

Here thing why that From Ashes are different and trustworthy to be yours. First of all examining a book is good but it really depends in the content from it which is the content is as delicious as food or not. From Ashes giving you information deeper and different ways, you can find any book out there but there is no reserve that similar with From Ashes. It gives you thrill reading journey, its open up your own personal eyes about the thing that will happen in the world which is possibly can be happened around you. You can easily bring everywhere like in playground, café, or even in your way home by train. In case you are having difficulties in bringing the published book maybe the form of From Ashes in e-book can be your alternate.

Scott Roche:

People live in this new time of lifestyle always aim to and must have the spare time or they will get large amount of stress from both day to day life and work. So , when we ask do people have free time, we will say absolutely indeed. People is human not just a robot. Then we question again, what kind of activity are there when the spare time coming to anyone of course your answer will probably unlimited right. Then do you try this one, reading books. It can be your alternative with spending your spare time, typically the book you have read is definitely From Ashes.

Maria Gardner:

Your reading 6th sense will not betray you, why because this From Ashes e-book written by well-known writer who knows well how to make book that could be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and publishing skill only for eliminate your own personal hunger then you still skepticism From Ashes as good book not only by the cover but also by the content. This is one reserve that can break don't determine book by its deal with, so do you still needing one more sixth sense to pick this particular!? Oh come on your studying sixth sense already said so why you have to listening to yet another sixth sense.

Ronnie Johnson:

Is it you who having spare time subsequently spend it whole day by means of watching television programs or just lying on the bed? Do you need something new? This From Ashes can be the answer, oh how comes? A fresh book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these guides have than the others?
