Home Again: A Novel Kristin Hannah

Madelaine Hillyard is a world-famous heart surgeon at the top of her game. Her personal life is far less successful. A loving but overworked single mom, she is constantly at odds with her teenage daughter. At sixteen, Lina is confused, angry, and fast becoming a stranger to her mother—a rebel desperate to find the father who walked away before she was born. Complicating matters for Madelaine are the vastly different DeMarco brothers: While priest Francis DeMarco is always ready to lend a helping hand, his brother, Angel, long ago took on the role of bad boy. Years earlier Angel abandoned Madelaine—and fatherhood—to go in search of fame and fortune. His departure left Madelaine devastated, but now he reappears and seeks help from the very people he betrayed—as a patient in dire need. With *Home Again*, *New York Times* bestselling author Kristin Hannah has written a moving, powerful novel about the fragile threads that bind together our lives and the astonishing possibility of second chances.

From reader reviews:

James Collis:

Why don't make it to be your habit? Right now, try to ready your time to do the important work, like looking for your favorite reserve and reading a e-book. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled Home Again: A Novel. Try to make book Home Again: A Novel as your buddy. It means that it can to get your friend when you feel alone and beside those of course make you smarter than before. Yeah, it is very fortunate for yourself. The book makes you more confidence because you can know everything by the book. So , let me make new experience and also knowledge with this book.

Ricardo Hamilton:

As people who live in the actual modest era should be upgrade about what going on or data even knowledge to make these people keep up with the era and that is always change and move ahead. Some of you maybe may update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know which you should start with. This Home Again: A Novel is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Allison Carson:

This Home Again: A Novel tend to be reliable for you who want to certainly be a successful person, why. The explanation of this Home Again: A Novel can be on the list of great books you must have will be giving you more than just simple reading food but feed anyone with information that might be will shock your prior knowledge. This book is definitely handy, you can bring it all over the place and whenever your conditions both in e-book and printed types. Beside that this Home Again: A Novel giving you an enormous of experience like rich vocabulary, giving you trial of critical thinking that we all know it useful in your day exercise. So , let's have it and luxuriate in reading.

Jason Dolly:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Home Again: A Novel can make you really feel more interested to read.
