In this groundbreaking book, Dr. Henry Grayson shares his breakthrough techniques for creating deeper and more lasting connections with our loved ones.

Henry Grayson, a psychologist, relationship counselor, psychoanalyst, and former minister who has been working with couples and individuals to improve their relationships for over thirty years, has found that most people are actually more unhappy after marriage counseling or couples therapy. In **Mindful Loving** he sets aside the traditional methods of therapy to show you how to look at your relationships from a completely different perspective. By getting to the root of our relationship problems, which stem from our thoughts and beliefs and mistaken ideas about our own identities, Grayson creates a whole new framework—one where psychology, spirituality, and science meet—in which to view intimacy.
