## Play It Again, Sam Maryann Miller

Life as she knows it ceases to exist for Samantha Rutgers when her husband of twenty-plus years decides he no longer loves her. The challenges are myriad. Can she build a life without him? Will her daughter always blame her? Can she ever trust a man again? And what is she going to do about sex? Cover design by Dany Russell. "PLAY IT AGAIN, SAM turns the standard "The End" of a marriage into the "Once upon a time" of a genuine grown-up love story. A life- and love-affirming look into the real life events of divorce, children, exes, memories, regrets, beginnings, and the courage to love again." Laura Castoro author of A New Lu, Icing on The Cake, and Crossing the Line "This is a poignant story of human frailties, emotions, turmoil, confusion and the sometimes, inescapable fear of the unknown. Samantha is encouraged to turn-off the familiar road of 'what use to be' and forge a new path of 'what could be.' Miller develops her characters well in this enjoyable story, giving them qualities that we would all relate to. A sensitive portrayal of romance, not of the sweet first time love, but a realistic viewpoint of life and love, and the curve ball it can throw."
