## **The Only Jealousy of Emer and Fighting the Waves: Manuscript Materials (Cornell Yeats)** W. B. Yeats, Steven Winnett

Yeats is a poet as much of fact as of feeling. Every work of his has a source—whether from folklore, legend, mythology, the occult, or history: each a source that for him had a definite objective reality. The demands of this world and of that other world of Yeatsian spiritual reality often conflict. His play *The Only Jealousy of Emer*, particularly in its early drafts, offers a vivid portrayal of such a struggle. It marks one of the turning points of Yeats's career, because in its final form it is a synthesis of two profound experiences that were to shape his later work: his marriage to Georgie Hyde-Lees in 1917 brought him a certain degree of contentment with the joys of this world, while her automatic script provided a philosophical framework for his poems and plays.
