**California Demon: The Secret Life of a Demon-Hunting Soccer Mom (Book 2)** Julie Kenner, J. Kenner  
*"Ninety-nine percent of the wives and moms in the country will identify with this heroine. I mean, like who hasn't had to battle demons between car pools and play dates?" Jayne Ann Krentz, New York Times bestselling author*

After fourteen years as a stay-at-home mom, Kate Connor has finally rejoined the workforce. But unlike most working moms, Kate can't rearrange her home obligations to fit the needs of her job. Well, not easily, anyway. And not without a few little white lies.

Because the truth is, no one in her family has any clue that she's returned to the job of her youth. Which means no late nights working beside her husband at the kitchen table while the kids watch television. Although, when you think about it, that's not necessarily a bad thing.

Because when your job is fighting demons, taking your work home with you is a really, really bad idea ...
