## Do You Remember?: The Book That Takes You Back Michael Gitter

Remember the Bionic Woman, Dippity Doo, Pop Rocks, *Planet of the Apes*, Peter Frampton, and white lipstick? *Do You Remember?* takes readers back to a simpler, tackier time, when TV shows were unabashedly corny and shags (carpets and hairdos) were all the rage. Over 130 images of long-lost-pop-culture items and unforgettable icons from the '50s, '60s, '70s, and even early '80s fill the pages of this wacky collection. *Do You Remember?* is the perfect gift for baby boomers, ex-hipsters, and even members of Generation X, sparking chains of remembrance that make Proust's madeleine look like just another cookie.
