**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

### *Illustrates family therapy techniques.*

With its clinical focus and extremely practical presentation, *The Essentials of Family Therapy*, 6/e examines the rich history, classic schools, and latest developments in family therapy. The sixth edition is edited to focus more on the contemporary clinical practice and case studies illustrating family therapy techniques. Written by a leading family therapist, descriptions of the various models are based on actual experience.

This title is available in a variety of formats — digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.

### Learning Goals

Upon completing this book, readers will be able to:

- Utilize various family therapy techniques.
- Recognize the techniques of successful contemporaries in the field.
- Understand why research has failed to influence clinical practice.
