## **Lingua Latina: Pars I: Familia Romana (Pt. 1)** Hans H. Ørberg

Entirely composed in Latin, Part I, Familia Romana, provides an excellent introduction to Latin, including the essentials of Latin grammar and a basic vocabulary of over 1500 words. The thirty-five chapters describe the life of a Roman family in the 2nd century A.D., and culminate in readings from classical poets and Donatus Ars Grammatica, the standard Latin school text for a millennium. Each chapter is divided into two or three lectiones (lessons) of a couple pages each followed by a grammar section, Grammatica Latina, and three exercises or Pensa. Hans Ørbergs impeccable Latinity, humorous stories, and the Peer Lauritzen illustrations make this work a classic. The book includes a table of inflections, a Roman calendar, and a word index, Index vocabulorum.
