RNotes: Nurse's Clinical Pocket Guide Ehren Myers

A Davis's Notes book. Accept no pretenders. The wildly popular and highly respected RNotes® is the preferred pocket-sized tool of nursing educators and students for the delivery of safe and effective health care in hospital and home settings. In this new second edition, RNotes® continues to present practical, clinically-oriented content across a wide range of topics in a succinct format: quick find features, portability, functionality, and more of the commonly-used but rarely memorized clinical information that hundreds of thousands of nurses and students refer to daily. Refined, reorganized, and updated with new content, the second edition of RNotes® will allow the reader to navigate more intuitively and with less effort. "This is one of the best purchases that I have made since starting school. It has really put it all together in an easy to read and find format. Thanks for the great resource!" -- Vickie Black, Northwest Shoals Community College ADN Program, Russellville, Alabama "I love this guide. It is helpful to me and will be to students. They can start using as students and continue post grad." -- Rhonda Armstrong, RN, MSN, Hinds Community College, Jackson, Mississippi Here's what some users of RNotes® have said: "This is one of the best purchases that I have made since starting school. It has really put it all together in an easy to read and find format. Thanks for the great resource!" -- Vickie Black, Northwest Shoals Community College ADN Program, Russellville, Alabama "I love this guide. It is helpful to me and will be to students. They can start using as students and continue post grad." -- Rhonda Armstrong, RN, MSN, Hinds Community College, Jackson, Mississippi

From reader reviews:

Chad Foster:

Here thing why this kind of RNotes: Nurse's Clinical Pocket Guide are different and reputable to be yours. First of all reading through a book is good but it depends in the content of it which is the content is as scrumptious as food or not. RNotes: Nurse's Clinical Pocket Guide giving you information deeper and in different ways, you can find any publication out there but there is no guide that similar with RNotes: Nurse's Clinical Pocket Guide. It gives you thrill looking at journey, its open up your own eyes about the thing that happened in the world which is maybe can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your way home by train. If you are having difficulties in bringing the branded book maybe the form of RNotes: Nurse's Clinical Pocket Guide in e-book can be your substitute.

Gladys Dearth:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The data you get based on what kind of e-book you read, if you want send more knowledge just go with education and learning books but if you want experience happy read one with theme for entertaining like comic or novel. Typically the RNotes: Nurse's Clinical Pocket Guide is kind of book which is giving the reader capricious experience.

Jamie Leal:

You are able to spend your free time to see this book this publication. This RNotes: Nurse's Clinical Pocket Guide is simple to deliver you can read it in the area, in the beach, train along with soon. If you did not possess much space to bring the actual printed book, you can buy the actual e-book. It is make you simpler to read it. You can save the actual book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Corey Cook:

As a student exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this RNotes: Nurse's Clinical Pocket Guide can make you sense more interested to read.
