The Vitality of Taiwan: Politics, Economics, Society and Culture (The Nottingham China Policy Institute)

Taiwan is one of the most vibrant societies in the world. No one who has visited it can fail to be taken by its dynamism, contradictions, colour, excitement and, above all, vitality. But what are really behind its vitality? Can it be the democratic politics, its civil society or its predicament as a state with which most of the rest of the world cannot recognize though happily maintain a full range of relations in reality? Or perhaps it was the highly competitive media, or its culture, or its Diaspora, or its business communities, or its relentless devotion to innovative industries? In different ways all of them played a part in delivering the vitality of Taiwan. But how should we understand the forces that interacted to produce the Taiwan way of life that is so vibrant? This book examines and explains each of these dimensions and provides an overarching interpretation of what underpins the vitality of Taiwan.
