Including sexual assault (flashbacks), adult situations, and graphic language.

I knew the exact moment I'd become a 'yes' girl.

December 16th, a cold winter's night, four years ago.

The night my innocence was stolen, the night I made the mistake of saying no—a mistake I'd never make again.

The dream of a 'happily ever after' was now a locked away myth. I promised myself that I'd never return to the place of my worst nightmare, that I'd never let anyone get close, but then again, I never thought I'd meet someone like him.

The intense, confident and beautiful Ky Crawford.

I had no plans to become someone's Prince Charming.

I couldn't be. I refused to be. My plan was simple—do whatever it takes to correct my biggest mistake, my one regret that now controlled my life.

I was on track. I had plans, but then everything changed when I saw her—the girl in the red jacket, the girl who I was told couldn't say no.

The reserved yet stunning Eden Rivers.

A girl who can't say no.

A guy who craves redemption.

A chance encounter?

It all comes down to this.

One question.

One month.
