Branding the Real Estate Agent is a straight forward, gimmick free guide to creating a successful, long term Real Estate business. I found it refreshing that the book gave real ideas, practices and resources that even a beginning agent could use to improve their business quickly. Simple, yet informative, this book covers how to grow your business from A-Z and focuses on creating a long term business that is both successful and enjoyable. It stays away from the old school cold-calling and scripts that we all dislike and focuses on what customers want, a Realtor that they can trust and enjoy working with.
