In Lisa Gardner's first-ever short story following thirteen bestselling novels, *The 7th Month* takes readers between the books and into a day in the life of Boston Detective D. D. Warren. In her seventh month of pregnancy, D.D. should be taking it easy. Instead, she accepts a small consulting role on the set of a serial killer film shooting in Boston. D.D. figures she'll be useful to someone for at least one night, serving as a police expert and making a little extra money in the bargain. It seems like a simple task—until the previous film consultant, a former Boston cop, is found beaten to death. Suddenly D.D.'s date with Hollywood gets serious. Extremely pregnant, on the trail of a killer, and surrounded by a hundred and four murder suspects in the middle of a graveyard, D.D. must quickly unravel a tangled web of lies. As another cast member is attacked, D.D. realizes that like it or not, her priorities have changed—and her last desperate hope is that she can catch a killer before she and her unborn baby face mortal danger. Packed with the suspenseful storytelling that has turned Gardner's novels into New York Times bestsellers, *The 7th Month* reveals new insights into a beloved series heroine. Includes an exclusive early look at *Catch Me*, coming February 7, 2012.
