Turkey and Its Resources: Its Municipal Organization and Free Trade; The State and Prospects of English Commerce in the East; The New Administration ... and National Possessions (Classic Reprint)
David Urquhart

Thb lingering adbesion of the parts of Turkey to each other, is far more surprisiog and less easily accounted for, than the dismemberment of that empire. The destruction of the Janissaries dissolved its internal bond of anion, relieved it from the pressure that had brought it so low, but threw off entirely the weight which had steadied so long the jarring elements of which it is composed. Rebellion has been successful, habits of resistance have been formed the hands of the government have been weakened, its authority insnlted, and it may be truly said at this moment, the political organization is in a state of paralysis; authority, under whatever name it is exercised, whether of the Sultan or Mehemet A ll, is only a form; and this vast body lies with life in each articulation, without corresponding sympathies, without a ruling mind, or the powers of common action. But even still more alarming than its internal state, are its foreign relations. I ts political weakness and .
