**From Book 1:** Handsome and orphaned Noah grew up poor like most kids from North Philly. Refusing to accept poverty as his fate, he along with his childhood friend Hakim, jacked their way to the top. Years later, he's on a legal path and building a future with his beloved fiancée Shaleea. However when slick talking Eve comes into the picture, love triangles form and everything that Noah has is threatened. Friends are foes, everyone is out for self, and loyalty is no more. As love and lust intertwine, tempers flare and life changing mistakes are made. The stakes are high in this hood tale filled with deceit, lies, and alibis.
