Broken is easy. It's healing that hard.

As a child, the most important man to Mimi Combs is her father, Joe Combs. He is like a king to her, and she loves him very much. But in a quiet moment, when a young girl believes she can comfort a grown man with a simple and innocent love letter, the king becomes a monster.

Initially, Mimi doesn't know she's supposed to be afraid of him. She does her best to accommodate her father. The load is more than a young girl should have to bear. Until one day...something happens to change the course of life for Mimi, her father, and her entire family.

As the girl becomes a woman, she begins a search for a king to love her. It is a journey filled with obstacles and detours. Can she navigate the road to recovery or is she bound for destruction? Will she find a true king to love the little princess again or will she hit a dead end?

On the path, Mimi discovers being broken is easy. It's healing that will take work.
