Shelley's Poetry and Prose (Norton Critical Edition)

Percy Bysshe Shelley

Shelley's Poetry and Prose (Norton Critical Edition) Percy Bysshe Shelley

This Second Edition is based on the authoritative texts chosen by the editors from their scholarly edition of *The Complete Poetry of Percy Bysshe Shelley*.

Each selection has been thoroughly reedited, and the order of the poems has been rearranged in light of redating or other reconsiderations. All headnotes are new or updated, and many footnotes have been added, replaced, or revised.

"Criticism" reflects the recent renaissance in Shelley studies, the greatest renaissance since 1870-92. All twenty-three essays are new to the Second Edition; among them are the work of Harold Bloom, Stuart Curran, Annette Wheeler Cafarelli, Michael Ferber, James Chandler, and Susan J. Wolfson.

A Chronology, an updated Selected Bibliography, and an Index of Titles and First Lines are included.
