What's the Weather Like Today? Gianfranco Rota

A wonderful weather book for boys and girls aged 6 years and up. This book is also a great resource for teenagers who will appreciate a more simplified and photographic interpretation of the different kinds of weather. Aside from the photos that accompany the many different types of weather, Giordana the weather expert describes the various kinds of weather, their characteristics, when and where they occur, and how they occur. For each weather experience, Giordana the weather expert suggests various precautions to take when experiencing the various kinds of weather, and even keeps her new friends engaged by asking them many intuitive and engaging questions. At the end of the book, Giordana asks her weather learners five questions to help them recall what they've learned.
