Abby Lewis never pictured herself on the survival game show, Endurance Island. She's just not the 'survival' type. But when her boss offers her a spot on the show and the opportunity of a lifetime, she packs her bags and heads to the tropics to be a contestant.

Once in the game, it's clear that Abby's in over her head. The game itself is full of competitive, aggressive people, and no one's more aggressive than sexy, delicious - and arrogant - Dean Woodall. Sure he's clever, strong, good at challenges, and has a body that makes her mouth water. He also hates Abby just as much as she hates him. That's fine with Abby; she'll just ignore the jerk.

But the rules of Endurance Island are working against them. Abby and Dean are teamed up - alone - on the beach. It's either work together, or go home. Stuck with no one else's company but their own, they learn they do make a good team after all.

And that with just a little bit of kindling, the flames of hate can quickly turn to flames of passion. This book features enemies, lovers, enemies who become lovers, and lots and lots of tropical heat...
